---

I got my first Westie 25 years ago, she was a great pet. Ever since then I always had a Westie in my life.

My husband and I now live with 2 Westies, our 11 year old little female and we added a boy last year, after we lost our 14 year old male to Lymphoma. He was my soulmate and I learned a lot from him during his 2 year battle and hope to use this to help other Westie owners.

I am also involved in earthdog, agility, and lately in conformation with our new boy.

Professionally, I am the owner of Terriertoys, a business which caters to terrier owners at dog shows around the country. I hope to use

my sales experience from my business to help fundraising for the Foundation and for the love of Westies.

I volunteer for the Westie Foundation because I believe that the work of the Foundation benefits the health and quality of life of Westies everywhere.
