My life with Westies began about 20 years ago when I began looking for a smaller companion dog. My husband didn't grow up with animals so I had to convince him that a small dog would be perfect for our home. The Westie intrigued me as a dog that would be happy, curious and both affectionate and independent. So for my 40th birthday I brought home my first Westie, Samantha. Knowing that all dogs need a companion as well, I convinced my husband that we needed a second terrier at which time I brought home a Scottie, Mackenzie. Since that time we have had both terrier breeds in our home as our kids.

Some years later, I had the opportunity to meet Naomi Brown and learned that Naomi bred beautifully structured dogs with good health and temperament and was always looked for the perfect home for her litters. I am proud to say both my girls (Annabelle and Hannah) are Ashgate US dogs from Naomi. Not only do I compete with my girls from conformation to agility I'm

proud to say they have produce some beautiful litters, thanks to Naomi.

I'm both a Certified Public Accountant and an Attorney in the state of Massachusetts and work/own a local accounting practice. I am a member of the West Highland White Terrier Club of England, the West Highland White Terrier Club of America and the West Highland White Terrier Club of New England. I am very proud and honored to be elected to the Board of Directors of the Westie Foundation.
